

### The Part Time FD.

**Your opportunity to have the experience and expertise of a Financial Director on AN AS NEEDED BASIS. Hence this is a cost effective solution for growing companies.**

### How does it work?

You spend half a day with one of our specialists. In this session we discuss your objectives, goals, plans and current situation. We will also discuss the budget you have for the role and what we feel we can deliver to help your business grow.

### Who needs it?

If your company is over £1million turnover and growing you probably feel you have a "tiger by the tail". Growing companies or companies going through restructuring can benefit from the extra expertise. If you feel you have suddenly taken on this role at the expense of your main role, or you also feel out of your depth, we can provide that support. Your business may also be facing some challenges in the near future and you may want to strengthen your team. Or are you looking to exit the business or refinance and need help.

### The benefits.

Very easy to see that this is a very cost effective way of improving the expertise in your business. It's made to measure by you for your business.

### What to do next

Take a look across your business and think where a trained, shrewd financial mind might streamline and save costs for your business. Ask yourself is your finance team strong enough for the coming challenges. If this is a worry to you, lets chat about your requirements.
